ORIGINAL DECISION STANDS. Suit Against Dr. H. D. Holton of Brat-

tlebero, Settled.

is made of the settlement of the suit of Mrs. Mary Blakeslee Emerson against Dr. Henry D. Holton, which has been n litigation between five and six years. Doctor Holton was appointed custee of an estate which Dr. Caleb S. Blakeslee left to his daughter twenty years ago, When she became of age, Green, A. M. ome six years ago, Dr. Holton was ready to turn the estate over to her, but she was dissatisfied with some of the accounts, although the estate hadbeen largely increased, and litigation sible for certain losses. The probate court decided in favor of Dr. Holton, and the settlement after more than five years of litigation, is just as was decreed by the probate court in the beginning. In addition Mrs. Emerson, formerly Miss Blakeslee, pays all of Doctor Holton's counsel fees, the court fees, and Dector Holton's charges as trustee during the time the case has been in the

ccurts as well as before. The estate amounted to about \$21. 000 when it went into Doctor Holton's hands. Doctor Holton increased it to over \$40,000, not counting the cost of supportnig Miss Blakeslee. Except for that cost and the taxes and other expenses the estate would have amounted to \$65,000. C. C. Fitts was counsel for Doctor Holton and H. G. Barber, John E. Gale of Guilford, and Gilbert S. Davis of Windsor, were attorneys for Mrs. Emerson.
